DID YOU KNOW?

FINANCE & ASSET MANAGEMENT

Our mission is to work together to build a better, stronger future through management of the city's finances and various physical assets, ensuring effective use of Bellevue's financial and physical resources.

- **Did You Know?** Accessible power door openers have been installed at multiple entrances at City Hall and Bellevue Service Center to make it easy to access city facilities regardless of physical ability.
- **Did You Know?** The standard conference room table height at city facilities has been adjusted to be more accessible to all people, including those who use wheelchairs. Table height and knee space clearances have been adjusted in all public conference rooms.
- **Did You Know?** The Service First team is outfitted with accessible masks that accommodate Deaf/hard of hearing guests at City Hall through a see-through window in the mask. For those that rely on lip reading and facial expression in conversation, opaque masks make it virtually impossible to communicate.
- **Did You Know?** The City of Bellevue provides closed captioning options on all content aired on Bellevue Television (BTV) Channel 21 and online, offering access to spoken or audio content for those who are Deaf, hard of hearing or watching the content in a loud space or area where volume can't be used.

To view a full list of accessibility and inclusion highlights from various city departments, visit BellevueWA.gov/ada-30th-anniversary

For alternate formats, interpreters, or reasonable accommodation requests please phone at least 48 hours in advance 425-452-6817 (voice) or email rsu@bellevuewa.gov. For complaints regarding accommodations, contact City of Bellevue ADA/Title VI Administrator at 425-452-6168 (voice) or email ADATitleVI@bellevuewa.gov. If you are deaf or hard of hearing dial 711. All meetings are wheelchair accessible.
