

# Woodridge Neighborhood Traffic Open House

Come learn about planned traffic changes in Woodridge

May 2018

Over the past year, the City of Bellevue has been working with volunteers from the Woodridge community to find solutions to discourage motorists from using Woodridge streets during the evening commute time to bypass adjacent arterials. Please join city staff and traffic committee volunteers at an open house to learn what has been done and what else is planned.

## Woodridge Neighborhood Traffic Open House

**Tuesday, May 22, 2018 | 7:00 pm – 8:30 pm**

**Woodridge Elementary School (cafeteria) | 12619 SE 20th Pl**

[transportation.bellevuewa.gov/projects/neighborhood-projects/woodridge-traffic/](http://transportation.bellevuewa.gov/projects/neighborhood-projects/woodridge-traffic/)

### What's been done

All-way stop and crosswalk installed at 128th Ave SE and SE 26th Pl

RESIDENTIAL AREA

Residential area signs installed at all entrances into Woodridge

### What's coming

Left turns will be prohibited from southbound 128th Ave SE to eastbound SE 32nd St from 4-7 pm, Monday-Friday.

Right turns will be prohibited from southbound 128th Ave SE to westbound SE 30th St from 4-7 pm, Monday-Friday.

*Installation planned for early June. Applies to all motorists. Bikes and buses exempt. Signs will be installed for six months to evaluate effectiveness and gather public input.*
