	5:30-7:30 p.m.	5:45 & 6:25 p.m.	5:30-7:30 p.m.	6:45-8:00 p.m.
5:30 p.m.				
6:00 p.m.		5:45-6:05 p.m.		
6:30 p.m.		6:25-6:45 p.m.		
7:00 p.m.				
7:30 p.m.				
8:00 p.m.				

- Eastside Homelessness**  
Drop-in station that will provide an overview of existing data regarding homelessness on the Eastside, resources that are available to individuals experiencing homelessness and how the city is partnering with local agencies and the community to address this issue.

**Concourse**
  
- LUCA Overview & Survey Results**  
Presentation that will provide a primer on the format of the workshop, an overview of the Land Use Code Amendment framework and approval process, and results of the community-wide survey.

**Council Chambers**
  
- Key Terms**  
Drop-in station where attendees can provide input on key terms for more common understanding.

**Concourse**
  
- Permit Application Requirements**  
Drop-in station where attendees can provide input related to the permit application process and requirements.

**Concourse**
  
- Locational Considerations**  
Drop-in station where attendees can provide input on the zones of the city that would support a successful shelter. Additional information will be provided on areas in the city where a shelter is currently allowed.

**Concourse**
  
- Code Requirements**  
Drop-in station where attendees can learn about how use-specific land use code provisions are prepared and ask questions related to code standards, use requirements and design guidelines. This station will also include information and input gathering on the Good Neighbor Plan framework.

**Concourse**
  
- Listening Session (OPTIONAL)**  
A facilitated listening session with roundtable discussion intended to stimulate conversation among community members about how land use regulations can help ensure any shelter sited in Bellevue is successful.

**1E-108**
